Dear Residents, Families, and Caregivers,

As a continued effort to keep you informed of any COVID-19 activity, please see updated information on our current numbers. Since our last letter dated June 25, 2021, there is **0** new residents confirmed and **0** new staff confirmed positive for COVID-19.

Number of cases	
0	ADMISSIONS: Residents admitted or readmitted who were previously hospitalized and treated for COVID-19
0	CONFIRMED: Residents with new laboratory positive COVID-19
0	SUSPECTED: Residents with new suspected COVID-19
0	COVID-19 DEATHS: Residents with suspected or laboratory positive COVID-19 who died in the facility or another location.

We continue to do visitations currently. If you are interested in scheduling a visit, please call the facility at 570-323-8781. We are working on a system to where scheduling will move to online booking, so please keep a look at for information regarding that.

The facility continues to monitor any changes that may be put out in regards to COVID-19 restrictions as they pertain to Skilled Nursing Facilities. One thing that we are learning about is the new Delta strand of COVID. This variant is said to be very transmissible, we are asking that while you are here for your visitation that you keep your facemask on for the duration of your visitation and that you are following proper Infection Control measures. If a visitor does not follow our rules, we will ask them to leave the facility and temporarily suspend their visitations. Please ensure to keep yourself and most importantly our residents and staff safe by following the recommendation for infection prevention and control.

If we get any COVID positive cases in the facility, either staff or residents, we will ensure to notify the responsible party of such. If you find that you have any questions, comment or concerns, please do not hesitate to reach out to: Allyson Kurtz- Director of Nursing or Sue Hooker- Infection Preventionist.

Sincerely,

Jennifer Cisneros, NHA
Nursing Home Administrator
