

# The Williamsport Home

December 31, 2020

Dear Residents, Families, and Caregivers,

As a continued effort to keep you informed of any COVID-19 activity, please see updated information on our current numbers.

Number of cases	
0	ADMISSIONS: Residents admitted or readmitted who were previously hospitalized and treated for COVID-19
4	CONFIRMED: Residents with new laboratory positive COVID-19
0	SUSPECTED: Residents with new suspected COVID-19
0	COVID-19 DEATHS: Residents with suspected or laboratory positive COVID-19 who died in the facility or another location.

Since our last letter dated December 24, 2020, there is **4** new residents confirmed and **3** new staff confirmed positive for COVID-19.

The COVID-19 Vaccination clinic is still scheduled for Monday January 4, 2021. As mentioned in last week's letter the COVID-19 vaccination is a two-part vaccine, the second step will be given on Monday January 25, 2020. The Williamsport Home is strongly encouraging both residents and staff to take the vaccination. If you have not completed the vaccine consent and have decided to have you love one vaccinated, please call the facility and we will work with you to get the needed consent.

The Williamsport Home continues with all employee and resident screening. Medical face masks and eye protection are worn at all times when in the resident care areas. In areas with suspected or positive resident's full protective equipment is worn following the Department of Health requirements. Lycoming county's COVID-19 positivity rate continues to be above 10 percent, so all employees are tested for COVID-19 twice a week. Once a week testing can begin when the positivity rate for the county is between 5 and 10 percent.

If you have any questions, please reach out to Sue Hooker- Infection Preventionist, Allyson Kurtz- Director of Nursing or I. We are hopeful that this new year will bring positive changes that will allow you and your loved ones back together. Please have a safe Holiday.

Sincerely,

Jennifer Cisneros, NHA
