

The Williamsport Home

August 28, 2020

Dear Residents,

Thank you for all of your support and cooperation during the COVID Pandemic and keeping our campus virus free. The past 5 ½ months have been extremely difficult for residents, staff and families. As we continue to fight through this and try to remain COVID-free there are a few reminders to share:

- Continue to wear face coverings whenever you are out of your apartment
- Use hand sanitizer / wash hands when returning to your apartment or in between public places
- Social Distancing 6ft whenever possible
- Remain in your apartment if you are not feeling well
- Currently, there is no inside visitation permitted in the buildings. Families / friends may visit outside in either residents' patios or in the Pavilion.
- When there is outside visitation, your visitors must wear a face covering, maintain social distancing and all outside visitors must pass health screen in C Building Main Entrance Lobby.
- Only Approved Essential Caregivers are permitted in the buildings, they must pass health screen in C Building main entrance and wear face coverings the entire time in the apartment and apartment building. We are now requiring caregivers to return to C Building to get their temperature taken before leaving campus.
- From the Department of Health, the following States are experiencing high numbers of COVID updated on their website Aug. 21st:
Alabama, Arkansas, California, Florida, Georgia, Idaho, Kansas, Louisiana, Mississippi, Missouri, Nevada, North Dakota, Oklahoma, South Carolina, Tennessee & Texas

Please feel free to contact me with any questions or concerns. Again, your ongoing support is amazing.

Sincerely,

Kimberly Rank

Director of Independent Living
