

The Williamsport Home

September 18, 2020

Dear Residents, Families, and Caregivers,

In our efforts to keep you informed, here is a status update as to where things stand in our community relative to COVID -19. Although we realize that this letter does not replace a personal call, you are welcome to reach out to us with any specific questions.

All Personal Care Home Residents, Independent Living Residents and all staff were COVID tested September 14, 2020.

At present, all the Persona Care Residents both at the Apartments and Woodland Vista have tested negative for COVID, we still have test pending for Independent living and Staff.

We continue to be in the Red Phase. During the red phase we cannot permit any visitation, the dining room will be closed, all meals will be served in each apartment, no communal activities, and one to one visits / activities will occur.

Everyone will be tested again on Monday, September 21, 2020

We continue to update our website and social media pages with pertinent updates and resident activities. Please follow these pages for the most up to date information.

In Good Health,

Yvonne Laubach
Personal Care Administrator
